

## Wave Flute Corrugated Capabilities

### WAVE FLUTE CORRUGATED

Wave Flute single face is back in the USA and only available from Surface Guard. In addition to our A, B and E flute single face corrugated; we also manufacture Wave Flute in a variety of colors and sizes. The unique profile of Wave Flute creates an instant eye catching effect sure to draw attention to whatever gift, product, presentation package or display it is used for. At Surface Guard we manufacture Wave Flute in our standard colors and have the ability to match your custom color requirements. We offer reasonable minimums for colored Wave Flute, allowing your custom or specialty projects to come to life. Create waves of attention with Wave Flute single face from Surface Guard.

Surface Guard does our part for the environment. Recycled content papers are used in the construction of our single face corrugated products. You can help as well by recycling SGI corrugated products with your local recycling center.
